

4 July, 2024

Dear Parents / Guardians,

The notice aims to inform you that the Solina Chau Foundation has allocated HK\$60 million from the "Dear Girlfriends" program to launch the "Wise Use of Money" program, which will provide funding to support female students taking the 2025 Hong Kong Diploma of Secondary Education (HKDSE) examination, with each student will receive HK\$3,300.

The Foundation has partnered with WeLab Bank as the designated digital settlement bank. The plan is to distribute the cash online after the start of the school year in September 2024. Students will receive QR codes via their own respective school email address, and opt to receive the funds with any local bank account or stored value payment tool (including Octopus, Payme, Alipay HK, etc.) that is connected to the Faster Payment System (FPS).

Our school has already registered on behalf of all eligible female students and has submitted required information to the Foundation for further procedures.

Yours faithfully,

Zareenah S. Y. Ho
Principal
