# Principal's Message

Dear Graduates,

Congratulations on reaching this incredible milestone in your lives! As you stand on the threshold of a new chapter, remember that the journey ahead is filled with endless possibilities and opportunities waiting to be seized. You have worked tirelessly to get to this point, and your hard work and dedication have not gone unnoticed.

- Zareenah Ho

As you navigate the uncertainties of the future, always remember that you are capable of achieving greatness. Embrace challenges as opportunities for growth, and never lose sight of your dreams. Believe in yourself, even when others doubt you, and trust in Allah and trust your abilities to overcome any obstacles that come your way.

In the face of adversity, remember that patience and resilience is your greatest strength. Prophet Muhammad (peace be upon him) said, "The one who is patient will never be deprived of success." Stay true to your values, and let your passion guide you towards success. Surround yourself with positivity and support, and never be afraid to ask for help when you need it.

As you embark on this new journey, remember that the path to success is not always easy, but it is always worth it. Never give up. Allah says in the holy Quran, Chapter 94 Verse 5, "Verily with every Hardship comes ease". Stay true to yourself, follow your heart, and never give up on your dreams. The world is waiting for you to make your mark, so go forth with confidence and courage.

Congratulations, graduates! The future is bright, and you have the power to shape it in your image. Believe in yourself, and the world will believe in you. Remember, IKTMC is your home. And you are always in our prayers.

May Allah (s.w.t) grant you every success in your life. Ameen.

With love and encouragement,  
Zareenah

# A SONG TO THE GRADUATES

*I can almost see it  
That dream I'm dreaming, but  
There's a voice inside my head saying  
"You'll never reach it"  
Every step I'm taking  
Every move I make feels lost with no direction  
My faith is shaken*

*But I, I gotta keep trying  
Gotta keep my head held high*

*There's always gonna be another mountain  
I'm always gonna wanna make it move  
Always gonna be an uphill battle  
Sometimes I'm gonna have to lose  
Ain't about how fast I get there  
Ain't about what's waiting on the other side  
It's the climb*

*The struggles I'm facing  
The chances I'm taking  
Sometimes might knock me down, but  
No, I'm not breaking  
I may not know it  
But these are the moments that  
I'm gonna remember most, yeah  
Just gotta keep going*

**MR. MA WING CHEUNG****VICE - PRINCIPAL**

I offer my congratulations to each S.6 student who has worked diligently, persevered through challenges, and reached graduation. The education you have received in "Islamic Kasim Tuet Memorial College", combined with God-given unique talents and abilities, has equipped you with a solid foundation for the future.

While the road ahead may not always be smooth, I encourage you to embrace the challenges that come your way. It is through overcoming obstacles and pushing your comfort zones that you will grow and develop. Consider failure as an opportunity for learning and never be discouraged by setbacks. It is not the failures that define us but how we rise from them. In this ever-changing world, it is essential to remain adaptable and open-minded. Treasure new experiences, ideas, and perspectives.

Lastly, remember to take time for self-reflection and self-care. Your journey will be filled with ups and downs. Take care of your physical and spiritual health. Seek balance in your life and find joy in reading the Quran. I extend my deepest gratitude for the privilege of being a part of your educational journey. It has been an honor to witness your growth, and I am excited to see the remarkable things you will accomplish in the future.

Congratulations, graduates! May God Almighty bless you.

**MR. CHOI KIM HUNG****VICE - PRINCIPAL**

I remember when the first day I came to this school, I asked myself why I wanted to be a teacher. Stable income? Challenging? My interest? This year I got my answer when seeing all of you graduate from S6. It's satisfaction. I feel so satisfied to bring all of you to another stage of life and can stay with all of you for the last 6 years.

Remember DSE is just one of your milestones in your life. Whether you can make it or not, please never give up yourself and one day you must find your way to success. Good luck and may Allah bless you all the way in the future.

**PHYSICS | MATHEMATICS | SCIENCE**

I consider myself fortunate to have the opportunity to be the physics teacher for this batch of students. Physics is undoubtedly a challenging subject, First, I would like to express my admiration to my physics students for your perseverance and dedication. Despite unsatisfactory results, you didn't give up.

Whether you are a physics student or not, embrace the challenges that lie ahead with confidence and resilience. Remember failure is not a setback, but a stepping stone towards success. Each obstacle you encounter is an opportunity for growth and learning.

Physics is the key that unlocks the mysteries of the universe. It is a field that constantly challenge our understanding and pushes the boundaries of human knowledge. As you go out into the world, remember to nurture your curiosity and never stop learning. The universe is a vast playground waiting to be explored. Stay update with the latest advancement and continue to expand your knowledge.

Congratulations, S6 students! Stay determined and give it your best effort in the coming exams. The future is yours to shape and I have no doubt that you will continue to make remarkable strides.

Vision

Inspired by the principles in the Holy Quran and teachings of Prophet Muhammad (May Peace Be Upon Him), our College aims at providing holistic education to individuals that ensures love of peace and kindness to mankind and other creatures; true success in this life and in the life hereafter. We endeavour to provide quality education through well-balanced curriculum in moral, academic, physical, social, civic, aesthetic and spiritual domains.

Mission

To provide and maintain a harmonious environment in which students from multicultural background can learn and work together in an enjoyable and successful way.

To nurture in students a sense of belonging to the school and the society in order to function effectively as civic-minded and responsible citizens of Hong Kong.

To provide each student with opportunities to exhibit individual talents and enjoy ever increasing self-esteem.

To arouse students' interest towards learning and stimulate critical thinking in order to equip them with problem solving and decision making skills.

To incorporate all internal and community resources as well as information technology in all aspects of the curriculum.

To cultivate in students a true love for lifelong learning.

To foster cooperation among students, parents, teachers, school management and the community.

To explain and demonstrate Islam as a way of life.

School Song

We all love Islam, fight for peace for everyone.  
 Struggle we must, welfare we seek, onward we march.  
 We all love Islam, with Allah's spirit we're instilled.  
 Truth we'll hold on, learned we'll be, selfless we'll become.  
 Islam, Islam, Islam, Islam.  
 Struggle we must, peace we fight for, be the one that pleases Allah.

Hadith

Prophet Muhammad (Peace Be Upon Him) said :  
 "Seek knowledge from the Cradle to the Grave"
